VOLUNTEER IN  
CHILDREN'S HOSPITAL

PROGRAM GUIDE

# PROGRAM OVERVIEW

This project gives you the opportunity to make a difference where it is most needed, whilst exploring one of the most successful and modern cities in China - Shanghai. As a volunteer, you will be staying in an orphanage centre, located in a children's hospital, where the injured and sick orphans are sent to receive better medical treatment. These children arrive from other orphanages in rural areas of China and with your love and care you can help them through their recovery.

Location of the project: Pudong District, Shanghai, China

Project length: 4-24 weeks

Arrival airport: Shanghai Pudong/Shanghai Hongqiao Airport

Volunteer work: Special care for children in the orphanage

Program fee: 150\$ and up

## VOLUNTEER RESPONSIBILITIES

- You will assist with daily operations, such as preparing food, serving meals, cleaning, and arranging games and activities for the children
- Assist in teaching the center staff improve their English. As a reputable orphanage in Shanghai, it receives loving overseas parents who would like to adopt Chinese children. If you could help the center staff improve their English skill, we could see a brighter future for the children as there will be a more thorough communication between the center staff and adopting parents
